AMENDMENT TO PETITION FOR RULEMAKING

To the Chief, Allocations Branch:

Linda A. Davidson ("Petitioner") respectfully amends her Petition for rulemaking in the above captioned proceeding dated July 3, 2003. There were two typographical errors within the Petition which she wishes to correct.

First, the last sentence of paragraph #2 reads: "Petitioner is confident that she can find a suitable transmitter site if channel 227A is allotted as proposed.". This sentence should read: Petitioner is confident that she can find a suitable transmitter site if channel 290A is allotted as proposed.

Finally, the second sentence in Paragraph #4 reads: "Channel 234A can be allotted to Ellaville in full compliance with the Commission's minimum distance separation requirements.". This sentence should read: Channel 232A can be allotted to Ellaville in full compliance with the Commission's minimum distance separation requirements.

Petitioner hereby verifies and affirms that the statements given in this amendment are hers, and are accurate to the best of her knowledge.

Respectfully submitted,

Linda A. Davidson
